

## Year 8 Latin C.E. Revision, Lent Half Term 2012

As you know, there are 3 different sections of work which you need to revise for Latin. Try to do some of each section every day:

### 1. The CE vocab list

Try to learn as many new words as possible.

If you are taking Level 2, make sure that you have BOTH the Level 1 and Level 2 wordlists.

### 2. The Greek myths booklet

Try to learn as many unfamiliar stories as you can

### 3. The CE Grammar booklet (Level 1 or 2 as appropriate)

Read this through carefully and try to learn noun and verb endings. See also number 3 in the computer section below.

Mark anything you don't understand and ask about it after half term.

ALL SHEETS ARE AVAILABLE FROM CYBERLATIN.NET
