

# Year 8 Latin Scholarship Revision, Lent Half Term 2012

As you know, there are 2 different sections of work which you need to revise for Latin. Try to do some work on each section every day:

## 1. The CE vocab lists

Make sure you know all CE wordlists thoroughly, Levels 1-3. Only move on to the Scholarship wordlist if you are confident that you have a sound knowledge of the CE words.

## 2. The Scholarship Grammar booklet

Read this through carefully and make sure you know noun and verb endings. See also number 3 in the computer section below.

Mark anything you don't understand and ask me about it after half term.

ALL SHEETS ARE AVAILABLE FROM CYBERLATIN.NET
